

## Membership to UCP Means...

Part of being a member of Unity Center of Peace includes participating in your spiritual community: attending most Sunday services and occasionally a special event or class, as well as participating in a Ministry Team, and being a consistent giver. These teams are listed below. Take a look and see what might speak to you. If you'd like to know more about a specific team, please contact the leader of that team.

### Ministry Teams:

**Sacred Activism:** Sacred Activism invites us to awaken to both our highest spiritual selves and to the current experience of the world around us. From an awareness of Oneness, we put into practice our highest values of love and service. We therefore approach social justice as a spiritual practice as we endeavor to help create a world that works for everyone. Contact: Marea Kavanagh

This team also currently includes the **Outreach Team** which lovingly serves the greater community and gives those less fortunate a hand up.

Our **EarthCare Team** is also nested under our Sacred Activism Team. This is where we grow a conscious, loving and caring relationship with our planet. Contact: Tom Hoban
