

Your Higher Vision for Our Country

From the service on 11/3/24

- All people matter and co-exist in harmony
- An end to homelessness
- Every being on earth is valued, respected and loved.
- Love: Inclusive for all
- Joyous experiences: People everywhere value one another and know they are valued
- Loving relationships
- Acceptance
- Citizenship path for illegal immigrants
- Excellent health care
- A world where there is more civility
- Vibrant, supportive ecosystem for humans, plants and animals.
- Peace and love-based USA
- Random pop-up sharing food
- Common purpose
- Community: people from all beliefs and walks of life come together in communion, socialization, eating, and community
- Peace, prosperity, love, understanding
- Relationship
- Love & peace
- Focus
- Respect for all people and the earth
- Free learning
- Latinas are valued for their contribution to this country
- The elimination of private money from the election cycle
- Flowering souls
- Opportunity to prosper
- Abundant life for all
- Compassion among all people and understanding that all people are joined in one vision.
- We all live in love and peace. We all are one – no separation. Everyone has all that they need and more. All separation is gone - no democrats, no republicans. We are all one.
- Create a fund to endow educational resources for Chatham County. Target and endow scholarships for early childhood education/daycare
- Timeless health. Ways of living in an unscheduled world.
- To rise above us vs them thinking. Fostering brotherly sisterly love & respect.
- Loving our/my neighbor in the spirit in which our country was founded.
- All humans have an accurate understanding of our role in this multidimensional cosmos.
- Changed world. Consciousness. Create a world of inspired people working together to love & respect children; feed each other; clean up the oceans and build a culture of peace and love.

- Envisioning equal wealth distribution and opportunity for all humans. To have needs met so we can thrive, and not merely survive. Only then can everyone bring their highest selves and create a cooperative community globally.
- Spiritual evolution
- Love and affection is abundant! As everyone cares truly for each other. Men & women - loving each other!
- Freedom, creativity, community support, love.
- People all over the world are working together to successfully mitigate climate change.
- Everyone is able to experience their own divine nature and see all of creation as sacred (God)
- Imagine pastures of plenty
- Living in loving community in whole vs individual and materialistic sense. Growing, loving, community living.
- Universal weapons ban. Championing peace.
- My country as a oneness community. Interacting from the mind of God. Aho!
- An end to the need to give out vests for homeless folks. End homelessness.
- A change of world consciousness; create a world of inspired people working to work together to love and respect children, feed each other, clean up the oceans and build a culture of peace and love
- Connection and Peace
- Caring communication
- Meditation for first graders ½ hour before classes
- May the love and peace implanted in each person guide them with trust that an ideal world eventually emerges and triumphs.
- The only reason one looks down on another is to offer a hand to pick them up.
